

JUNI MATTOR 240X340 CM

Art nr: HT5024034004

A modern and vibrant outdoor rug in natural shades, inspired by materials like jute, sisal, reeds, and terracotta. Made from 100% extra durable polypropylene yarn. The yarn is UV-resistant, water-resistant, won't shed, and is stain-repellent. This makes the rug perfect for outdoor use, in a sunroom, or indoors. The long sides are finished with a sturdy matching binding, and the short sides are glued and folded for a sleek silhouette. Easy to clean—just vacuum or rinse with lukewarm water and let dry. Stains can be removed with a sponge, warm water, and dish soap. Available in several sizes.
