

PARASOL 200 CM PARASOL SAND/WHITE

Art nr: HT4014720033

Charming parasol with fringes that creates a cozy and homely environment. Here, function is combined with style. The parasol has many uses and can advantageously be used for the balcony, beach, and patio. Ideal for warm and sunny summer days. Made of hardwood, fabric in polyester with cotton fringes. The pole measures Ø32 mm. The parasol has a smart tilt function and can be positioned in several different angles. The bottom of the pole can easily be screwed into the sand. Purchase a balcony bracket if you wish to place the parasol on the balcony.
