

MILANO SEAT/BACK CUSHION HIGH

Art nr: HT6000098900

Milano 98 is an exclusive box sewn cushion with a classic dressed edge that makes it 3-dimensional. Made in panama, a polyester mix that is 100% recycled. A durable fabric with a high water-repellent surface. Panama is also antibacterial and has a high resistance to chlorinated water, which is ideal in the vicinity of pools and spa baths. UV resistance 7-8/8. Non-removable upholstery, the fabric can be washed at 60 degrees.
