

TEXAS CUSHION HIGH CUSHION NAVY

Art nr: HT6000090940

The Texas 90-cushion is 11 cm thick and is the thickest and most robust cushion we manufacture. Suitable for larger hammocks and wooden furniture. Made in Panama, a polyester mix that is 100% recycled. A durable fabric with a highly water-repellent surface. Panama is also antibacterial and has high resistance to chlorinated water, which makes it excellent near pools and spas. UV resistance 7-8/8. Non-removable cover, the fabric can be washed at 60 degrees.
