HILLERSTORP

PARASOL BASE 35 KG

Art nr: HT4014435005

An elegant and sturdy parasol base in granite with details in stainless steel. The square shape gives a timeless expression, while the wheels make it easy to move where shade is needed. The combination of the weight of the granite and the durability of the steel ensures that your parasol stands firm even on windy days. With its clean design and smart features, this parasol base becomes a natural part of your patio, both practical and stylish. Wheel arrangement makes it easy to move where shade is needed. The pole measures Ø38-48 cm. Available in different sizes: 35kg and 50kg.
