

PARASOL 300 CM PARASOL DARK GRAY

Art nr: HT4015430080

An exclusive 3-meter square Sidewinder parasol made from high-quality, solid materials. It is crafted from aluminum with a wood-look finish and features olefin fabric. The pole has a diameter of 48 mm. The parasol is lockable, adjustable to various angles, and rotatable around its own axis. A part of the base is included, and it can be complemented with a concrete plate (item 96425).
